2. Agenda

- Introduction and orientation of the Institution-Industry Cell.
- Discussion on industry-academia collaboration.
- Planning internships, industrial visits, and skill development programmes.
- Exploring guest lectures, training sessions, and collaborative projects.
- Promoting placement opportunities and entrepreneurship.
- Assigning responsibilities and planning activities for the academic year 2026-27.

3. Proceedings of the Meeting

The members discussed the following points:

1. **Industry-Academia Collaboration:** The Cell will explore opportunities to establish and strengthen partnerships with industries and relevant organizations.
2. **Internships and Industrial Visits:** Arrangements will be explored to provide students with internship opportunities, industrial visits, and practical learning experiences.
3. **Guest Lectures and Training Programmes:** Experts from industry will be invited to deliver guest lectures and conduct training sessions on current industry trends, professional skills, and career opportunities.
4. **Skill Development and Employability:** The Cell will organize activities to enhance communication skills, technical competence, teamwork, leadership, and other employability skills.
5. **Collaborative Projects:** Opportunities for industry-oriented projects, practical assignments, and knowledge-sharing activities will be explored.
6. **Placement and Entrepreneurship Support:** The Cell will encourage career guidance, placement-related initiatives, entrepreneurship awareness, and interaction with professionals.
7. **Student Participation:** Student members will help communicate student needs, encourage participation in Cell activities, and provide feedback on programmes.

8. **Industry Representative's Role:** Mr. Hadin Harshad, representing Edroot Study Abroad, will be requested to share relevant industry insights and explore suitable opportunities for career awareness, professional guidance, and collaboration.
9. **Documentation and Reporting:** The Convenor will coordinate the activities of the Cell and maintain meeting minutes, attendance records, activity reports, and supporting documents.

4. Resolutions and Action Plan

The following resolutions were proposed and agreed upon by the members:

- The Institution–Industry Cell will prepare an activity plan for the academic year 2026–27.
- The Cell will identify potential industry partners and explore opportunities for collaboration.
- Suitable guest lectures, training programmes, internships, and industrial visits will be planned based on student needs and available opportunities.
- Student members will assist in coordinating activities and motivating students to participate.
- The Convenor will coordinate the implementation of approved activities in consultation with the Chairman.
- Progress will be reviewed periodically, and records of all activities will be maintained.
- The Cell will function under the guidance and supervision of the Principal.
